THE RIMFIRE RIFLE AND PISTOL SILHOUETTE MATCHES

September 14, 2024

Registration begins at 8:30 a.m.
Competition begins at 9:00 a.m.

The rifle and pistol matches will be scored separately. It is not necessary for competitors to shoot in both matches. There will be, however, a bonus prize for the overall winner.

Equipment: Rimfire pistol and rifle, in caliber .22 short, long or long rifle. To prevent damage to the targets, no .22 magnum, .17 HMR, .17 Mach 2, or “Stinger” type ammunition, please (high velocity .22LR is okay). No restrictions on overall weight of rifles or pistols. Any trigger not subject to accidental discharge allowed.

Any sights, telescopic, metallic, or electronic may be used on both rifles and pistols. No lasers, please.

No shooting coats, or padded gloves, but shotgun-shooting style vests are permitted. Slings may be attached to the rifle but may not be used to support or stabilize the rifle. Palm rests may not be used.

Brining at least 30 rounds of ammunition per match is recommended.

Course of Fire: Each match will be **20 shots at smallbore silhouette targets**. All shooting will be done slow-fire from the standing position.

Competitors will have the chance to knock down as many of 20 targets as they can with 20 shots. Targets for each stage will be 5 Borrego (ram), 5 Guajalote (turkey), 5 Javelina (pig), and 5 Gallina (chicken). Your score will be the number of targets knocked over. In the event of a tie, there will be a shoot-off.

All targets in the **Pistol Match will be shot from 25 yards**.
All targets in the **Rifle Match will be shot from 50 yards**.

Both matches will be held on the rifle range
Entry fee is \$10, per match.
Prizes will be awarded to the top three competitors in each match.
