Who's got the fastest gun in Elkhart??

Registration begins at 8:30 a.m.

Competition begins at 9:00 a.m.

Shooters will engage **22** targets composed of steel plates and poppers at distances varying from 15 to 20 yards.

Shooters may use any centerfire Pistol, Revolver, or Pistol Caliber Carbine (PCC) and will compete in (3) divisions:

- Open Pistol (with dots or optics, flared magazine wells, unlimited)
- Limited Pistol (iron sights, production/"as-issued" configuration only)
- PCC (any sights)

Shooters may compete in any—or all—divisions.

We will be running the course 2 times per shooter, so minimum round count is 44 rounds per division. Bring as many magazines as you think you'll need. No limitations on magazine capacity. Empty Chamber Indicators (ECIs) are required.

Scoring will be determined by a shooter's best time to clear all targets. Awards will be given to First, Second, and Third Place shooters in each division, High Junior (9-15), and High Woman (with minimum of 2). Top Gun points will be proportioned for each division.

EYE AND HEARING PROTECTION ARE REQUIRED!

Match fee for member or non-member is \$10 *per division* (Juniors \$5).
