The 2026 Marksmanship Calendar is posted and up on the event calendar. Visit the Events calendar on the website to easily import the schedule into your iPhone or Google calendar using the *subscribe to calendar* link in the bottom right, or the *Add to calendar* link at the bottom of each event.

Members are reminded that full auto and simulated full auto shooting (ie. RFTs, binary triggers, bump stocks, and the like) is prohibited. This is a safety concern for our neighbors in Osceola as ALL shots must be controlled and aimed at a target at the backstop. Uncontrolled rapid firing has raised risk of ricochet off the ground or otherwise going over the berm, posing risk to our neighbors to the west and by extension, to the longevity of our club. STAY SAFE!

On April 19th we had our first SPRING open house and swap meet. “Thank you” to all who saw the email notification and came by to patronize the swap meet or renew their membership.

NEXT MEETING: May 13th at 7pm!
